

# Register to watsonx AI by using personal email (free trial)

Go to the watsonx.ai: <https://www.ibm.com/products/watsonx-ai>

- Click start your free trial

The screenshot shows the IBM Watsonx AI website. At the top, there's a navigation bar with links for Products, Solutions, Consulting, Support, and Think. Below the navigation is a main menu with options like Watsonx, Models, Pricing, Support, and Resources. A 'Log in' button and a 'Book a live demo' button are also present. The main content area features a large banner with the text 'Now available—a next generation enterprise studio for AI builders to train, validate, tune and deploy AI models'. Below this, there are two buttons: 'Start your free trial' and 'Explore the watsonx.ai demo'. The 'Start your free trial' button is highlighted with a red box. To the right of the banner is a video thumbnail titled 'Demo: Generative AI and machine learning with IBM watsonx.ai (5:30)'. On the left side of the page, there's a sidebar with links for Overview, Use cases, Benefits, Features, Gen AI capabilities, MLOps capabilities, Client stories, Third-party reviews, and Next steps. The main content area also includes sections for 'What's new' (IBM Offers Meta's Llama 3, Open Models on Watsonx), a 'Read the press release' link, and an 'Interactive demo' section with a 'Let's talk' button.

- Click sign up and try to free

The screenshot shows the IBM Watsonx AI login page. It features a dark background with a large, stylized purple and white circular graphic in the center. On the left, there's a form for logging in with IBM ID. The form includes fields for 'Datacenter' (set to 'Datacenters (us-south)'), 'Log in with' (set to 'IBMId'), 'IBMId' (input field), and 'Continue' (button). There's also a checkbox for 'Remember IBMId' and a link 'Need an account? Sign up and try for free'. Below the form are links for 'Log in with Google' and 'Need help? Contact the IBM help desk'. The right side of the page has a sidebar with links for Overview, Use cases, Benefits, Features, Gen AI capabilities, MLOps capabilities, Client stories, Third-party reviews, and Next steps. It also includes sections for 'What's new' (IBM Offers Meta's Llama 3, Open Models on Watsonx), a 'Read the press release' link, and an 'Interactive demo' section with a 'Let's talk' button.

## - Create account or log in

## - Fill account information

## - Verify email

The screenshot shows the 'Verify email' step of the IBM Cloud registration process. The URL in the address bar is [https://cloud.ibm.com/registration/target=https%3A%2F%2Fdataplatform.cloud.ibm.com%2Fregistration%2Fsteptwo%2F%3Fcontext%3Dwx%26app%3Ddata\\_science\\_experience%2Cwatson\\_machine\\_learning%2Ccos%2Calopenscale%26new\\_user%3Dtrue%26uccid%3D0b526ded6c1c419db%26utm\\_content%3Dwxaiww%2...](https://cloud.ibm.com/registration/target=https%3A%2F%2Fdataplatform.cloud.ibm.com%2Fregistration%2Fsteptwo%2F%3Fcontext%3Dwx%26app%3Ddata_science_experience%2Cwatson_machine_learning%2Ccos%2Calopenscale%26new_user%3Dtrue%26uccid%3D0b526ded6c1c419db%26utm_content%3Dwxaiww%2...). The page title is 'Create an IBM Cloud account'. The main content area shows the 'Verify email' step, which includes a verification code input field and a 'Next' button. A red box highlights this section. To the right, there is promotional content for 'watsonx.ai™' and a 'Continue' button at the bottom.

## - Fill personal information

The screenshot shows the 'Personal information' step of the IBM Cloud registration process. The URL in the address bar is identical to the previous screenshot. The main content area shows the 'Personal information' step, which includes fields for First name, Last name, What is your role? (with a dropdown menu), Company name, Country or region (United States selected), and Phone number (+1). A red box highlights this section. To the right, there is promotional content for 'watsonx.ai™' and a 'Continue' button at the bottom.

## - Checklist and continue

The screenshot shows the IBM Cloud registration interface. On the left, there's a sidebar with navigation links like 'IBM Cloud', 'Catalog', 'Cost estimator', and 'Docs'. The main content area has a title 'Create an IBM Cloud account' and a sub-section 'Already have an IBM Cloud account? Log in'. Below this, there are several steps listed in a vertical stack:

- Account information**: This step is currently selected, indicated by a blue border. It contains fields for 'Name' (with placeholder 'John Doe'), 'Email' (placeholder 'john.doe@example.com'), and 'Phone' (placeholder '(555) 555-1234'). There are 'Edit' and 'Next' buttons at the top right.
- Verify email**: A step with a 'Next' button at the bottom right.
- Personal information**: A step with a 'Next' button at the bottom right.
- Account notice**: A step containing a checkbox for accepting the 'IBM Privacy Statement' and another for accepting the 'Terms and Conditions of this registration form'. It also includes a note about keeping contact details updated. There is a 'Continue' button at the bottom.

On the right side of the page, there's a large promotional section for 'watsonx.ai™' with the heading 'Get started for free with watsonx.ai™' and sub-headings 'Build and deploy generative AI and machine learning solutions.' and 'Work with a range of open source or proprietary foundation models to build generative AI solutions when you need them.' It also mentions 'Choose from a range of tools like open-source code editors (Jupyter Notebooks), automated builders and visual modeling tools.' and 'Manage your entire lifecycle from model development to management from a single collaborative studio.'

## - Checklist and continue

This screenshot shows the 'Review your account privacy notice' step of the registration process. The layout is similar to the previous one, with a sidebar and a main content area.

**About your IBMid Account**: This section provides a summary of account terms and privacy. It states that by creating or using an IBMid, you acknowledge that you have read, understand, and agree to be bound by the below terms, in addition to the terms in the IBM Terms of Use, the IBM Privacy Agreement and the "About your IBMid Account Privacy" section of this notice. It also notes that most IBMid accounts are individual IDs, meaning you manage your own account information and access your account through the IBMid login service (i.e. IBMid is the authenticating agency).

**Your account was created using an email address containing a domain owned by an organization which you are employed by, contracted to, or volunteer for, your organization can:**

- Inquire about the status of your ID
- Request to update or modify your personal information
- At its option, convert it to an enterprise ID

**Your access is controlled by your organization's login service.**

## - Welcome to watsonx studio

Welcome, mimin

Train, deploy, validate, and govern AI models responsibly.

Once you create a sandbox project or migrate projects, you will be able to open a task directly in your project and start working.
